CURRICULUM VITAE
June 2020

PETER W. CULICOVER

Distinguished University Professor Emeritus, The Ohio State University
Affiliate Professor, University of Washington
Phone (cell): 614-361-4744
Email: culicover.1@osu.edu

Primary research interests: Syntactic theory, constructions, typology, syntactic change, language learnability, English syntax, representation of language in the mind/brain, linguistics and cognitive science, computational simulation of language acquisition and language change, jazz.

EDUCATION

PhD	Massachusetts Institute of Technology (1971), Linguistics
B.A.	City College of New York (1966), Mathematics

ACADEMIC POSITIONS HELD

2019-	Affiliate Professor, University of Washington
2018-	Distinguished University Professor Emeritus, OSU
2016-2018	Distinguished University Professor, The Ohio State University
2008	Professeur invité, Université de Paris VII (Feb-Mar 2008)
2006-**7**	Visiting Scholar, Seminar für Sprachwissenschaft, Universität Tübingen
2005-	Humanities Distinguished Professor in Linguistics, The Ohio State University
2003	Linguistics Institute, Michigan State University (Summer 2003)
2002	Visiting Scientist, University of Groningen (Autumn 2002)
2000	Distinguished Visiting Professor, University of Tübingen (June 2000)
1998-2006	Chair, Department of Linguistics, The Ohio State University
1997	Fulbright Distinguished Chair in Theoretical Linguistics, University of Venice (Spring 1997)
1991-92	Visiting Scientist, Center for Cognitive Science, MIT
1989-2003	Director, Center for Cognitive Science, The Ohio State University
1987-	Professor, Department of Linguistics, The Ohio State University
1987-89	Associate Provost for Planning, The Ohio State University

1986-87	Acting Dean, School of Social and Behavioral Sciences, University of Arizona
1985-87	Director, Cognitive Science Program, University of Arizona
1984-87	Chair, Cognitive Science Committee, University of Arizona
1984-87	Head, Department of Linguistics, University of Arizona
1984-87	Professor, Department of Linguistics, University of Arizona
1983-84	Associate Dean, Graduate Studies and Research, University of California, Irvine
1981-82	Chair, Cognitive Science Group, UC Irvine
1980-84	Professor, University of California, Irvine
1975-80	Associate Professor, University of California, Irvine
1972-75	Director of Graduate Studies, School of Social Sciences, UC Irvine
1970-75	Assistant Professor, University of California, Irvine

LANGUAGE COMPETENCE

French: reading knowledge, basic speaking
Italian: reading knowledge, basic speaking
Spanish: basic speaking and reading
German: speaking and reading knowledge
Russian: reading knowledge

RESEARCH GRANTS

2006-2008	Ohio State University College of Arts and Sciences. (Co-Principal Investigator, with John Grinstead and Laura Wagner). Interfaces of the mind: the development of language and its integration with other cognitive domains. (Arts and Humanities Innovation Grant). About $50,000.
2002	Nederlands Organisatie voor Wetenschappelijk Onderszoek (Co-Principal Investigator), Application of the Culicover/Nowak computational simulations of language acquisition and language change to problems of dialect contact and variation: about $7,500 (University of Groningen).
1998-2001	James F. McDonnell Foundation (Co-Principal Investigator), Dynamical grammar: dynamical systems modeling of language acquisition and language change: $143,000.
1995	NSF (Linguistics): Workshop on the Limits of Syntax (Co-Principal Investigator): $15,288

1994	Office of Research Grant for Interdisciplinary Research Seminar on the Foundations of Consciousness (Co-Principal Investigator): $5,000
1985-86	Sloan Foundation Grant for Conference on Neural Connections and Mental Computation (Co-Principal Investigator): $14,000
1984-85	Sloan Foundation Grant for Cognitive Sciences State-of-the-Art Lecture Series: $4,500
1983-88	Sloan Foundation Grant for Cognitive Sciences (Co-Principal Investigator): $500,000
1980-83	Sloan Foundation Grant for Cognitive Sciences (Co-Principal Investigator): $410,000
1978-80	Sloan Foundation Grant for Cognitive Sciences (Co-Principal Investigator): approximately $175,000
1975-83	NSF (Linguistics): Acquisition constraints on theory of language structure (Co-Principal Investigator): approximately $203,000

OTHER GRANTS

2009-10	Ohio Humanities Council, $15,000 (Co-principal Investigator). Linguistics Institute for Language Teachers (LILT).

FELLOWSHIPS AND AWARDS

2015	Erskine Visiting Fellowship, University of Canterbury
2011	Fellow, American Association for the Advancement of Science
2011	Departmental Teaching Award, Department of Linguistics, OSU
2011	Fellow, American Academy of Arts and Sciences
2010	Humboldt Research Award (Renewed Research Stay), Alexander von Humboldt Foundation (Germany)
2009-10	Fellow, Linguistic Society of America
2009-10	University Distinguished Lecture, The Ohio State University
2008	Distinguished Scholar Award, The Ohio State University
2005	Humboldt Research Award, Alexander von Humboldt Foundation (Germany)
2005	Humanities Distinguished Professor in Linguistics, The Ohio State University
1997	Fulbright Distinguished Visiting Chair in Theoretical Linguistics, University of Venice
1978	NEH Fellowship for Independent Research

PROFESSIONAL AFFILIATIONS

Linguistic Society of America (Life member)
American Association for the Advancement of Science

EDITOR, CONSULTANT, REFEREE, ETC.

Editorial Board, *French Review of English Linguistics* (2012-)
Program committee, Music and Language II: Tufts University, July 10-13, 2008
Associate Editor, Wiley Interdisciplinary Reviews (WIREs) in Cognitive
     Science
Editorial Board, *Constructions*
Editorial Board, Syntax and Semantics, Brill
Reviewer for Oxford University Press
Reviewer for Cambridge University Press
Reviewer for Academic Press
Reviewer for Kluwer Academic Publishers
Research Associate for ONR Grant, "A Theory Based Reading Program"
Referee for NSF
Referee for *Language and Cognitive Processes*
Referee for *Language*
Referee for *Natural Language and Linguistic Theory*
Referee for *Linguistics and Philosophy*
Referee for *Journal of East Asian Linguistics*
Referee for *Journal of Linguistics*
Advisory Editorial Board, *Linguistic Inquiry*, 1992-2009
Editor, *Natural Language and Linguistic Theory*, 1999-2005
Advisory Editorial Board, *Natural Language and Linguistic Theory*, 1999
Advisory Editorial Board, *Annual Review of Language Acquisition*, 2000-
     present
Linguistics Editor, Macmillan Encyclopedia of Cognitive Science
Referee of abstracts for WCCFL, NELS, FLSM, WECOL, SCIL, JPA.
